SREE ANJANEYA COLLEGE OF NURSING, MODAKKALLUR

STATE LEVEL WORKSHOP 2018

TOPIC – CRITICAL CARE MANAGEMENT

INTRODUCTION

Sree Anjaneya College of Nursing, functioning under Sree Anjaneya Medical Trust, established in the year 2011 is attached to Malabar Medical College Hospital, which is a 750 bedded Super Specialty Hospital.

Critical care is the field of nursing with the focus on utmost care of the critically ill or unstable patients following extensive injury, surgery or life threatening conditions. Critical care nurses can be found working in a wide variety of settings and specialities. Development of skills in critical care will equip the nurses to render quality nursing care with great competence. This programme will be an excellent learning experience for nurses for continuous professional development.

With immense pleasure we invite your honorable presence for the workshop on Critical Care Management at MMCH on 21st December 2018.

OBJECTIVES

On the completion of workshop the participants will be able to:

- ▶ develop knowledge on various aspects of critical care
- ▶ demonstrate skills in basic life support
- ▶ illustrate knowledge on care of patients with Mechanical Ventilation
- ▶ understand various aspects of central line insertion
- ▶ strengthen the knowledge on drugs used in emergency settings
- ▶ interpret ECG variations
- ▶ identify nursing skills in assessment and monitoring of cardiac emergencies
- ▶ create awareness on legal and ethical principles pertinent to care of critically ill patients
