National Level Conference on
**Innovations and Challenges
in Reproductive Health and
Infertility Management**

Organized by
Department of Obstetrics and Gynaecology,
Sree Anjaneya College of Nursing

Date: 31st May 2025 | Time : 09:00 am to 04:00 pm
Venue: Sapphire Hall, 5th floor, Academic Block,
Malabar Medical College

Dear delegates,

Warm greetings from Sree Anjaneya College of Nursing. We kindly request your presence in National Conference on “Innovations and Challenges in Reproductive Health and Infertility Management” scheduled for May 31st 2025.

AIM:

The conference aims to discuss the innovations and challenges in Reproductive Health and Infertility Management and to promote collaboration among clinicians, scientists, policymakers, and patient advocates to improve reproductive healthcare delivery.

LEARNING OBJECTIVES:

By the end of this session the participants should be able to

- ✚ Gain updated knowledge on recent innovations in assisted reproductive technologies (ART), including IVF, egg freezing, and stem cell therapies.
- ✚ Understand the psychological, ethical, and legal challenges in infertility management.
- ✚ Explore strategies to improve patient-centered care and reduce disparities in reproductive health access.
- ✚ Discuss policy recommendations to address gaps in fertility care and regulation.
- ✚ Network with experts to foster future research and clinical collaborations.

**Innovations and Challenges
in Reproductive Health and
Infertility Management**
